

Office of the Division Commander

Division Command Team Memo to All 100th Division Soldiers.

Dear 100th Division Soldier,

As the 100th Division closes one operational year and begins another, we your Division Command Team want to acknowledge a job well done. Additionally, we want to express how extremely proud we are with unit and individual mission performance for TY01. It has been gratifying to watch each and every operational mission be expertly planned, resourced and executed. This past-year's outstanding achievement in all the major mission areas; IET, TASS and ROTC, is a mark of 100th Division soldier professionalism, dedication to the Division, and your love of country. A simple thank you seems to be so insignificant in comparison to your tremendous diligence and performance of duty this year. Please take our heartfelt "THANK YOU" as our way of acknowledging your individual contribution and to show our enormous sense of pride for what you all have done collectively.

Our nation and we as citizens have been through a lot since September 11th, and the future challenge is not clear. But your command team's expectation demands continued focus and mission success in FY02. We ask a great deal from you as citizen soldiers, but you as a 100th Division member have never failed to make it happen. During this upcoming holiday season, no matter-what your faith or pious belief, it is our enduring hope that your family and our nation will reflect on the importance of the ideals and principles which guide us as soldiers and have made our nation strong.

Happy Holidays

Sincerely,

DAVID L. BELCHER
