

# Welcome Home to the 113<sup>th</sup> Med CO (CSC)

This is one of our Subordinate Units. The mission of this unit is unique in this Command. This unit provides combat stress casualty prevention, treatment and management on area basis. Most of the soldiers were medics who counseled other soldiers and civilian dealing with combat stress. All members of this unit arrived safely from Iraq in Los Alamitos Saturday, parents, wives, children and friends were waiting to see the airplane landing on an outstanding job in Balad, a city in the States Army is building

soldiers and civilian stress. All members of from Iraq in Los Alamitos Saturday, parents, wives, were waiting to see the time. This unit performed during their mission in Triangle where the United have to support our

soldiers,” said Johnson’s wife during the welcoming celebration. The local press was supportive of this special moment, by offering full coverage of the families reactions. At this time Colonel Conley, Commander of the 176<sup>th</sup> Medical Group and his staff officially welcomed the soldiers home. DCG Dacier and Colonel

Conley, Commander of the 176th Medical Group and his staff welcomed LTC Irma Cooper, the Unit Commander, 1SG Michelle Fournier and the rest of the members of the 113th Medical Company, by handing each soldier a coin, for their heroic efforts in Iraq.
