Sir,

This is the deluxe version
of the field-improvised MRE
post card.

Last November seems like an
eon ago when we last met. Thank
you for your kind offer to let me
check out a video cam but
the field load I had to carry here -
mostly unessential but nevertheless
required - would have left no room
to carry the camera.
Surface Mail takes about 15 days.
The USARC e-mail doesn't work here.
My AKO address is best: bernard.behrens
@us.army.mil. Write me if you may,
I'll tell you more about what I'm
doing here - Bernie Behrens
