2. I agree to travel \_\_\_\_\_ (50, 75, 100, 125, 150, etc) miles from my residence to serve in the position, if selected for promotion. I understand that I may be selected to a duty position or be reassigned to another unit that is not listed above as long as it is within the distance of miles selected. Failure to list mileage or geographical area (which also determines miles you will travel) limits you to a position within 50 miles or 90 minute commuting time. \_\_\_\_\_(Initials)

3. I fully understand that if I accept a promotion voluntarily, I agree to serve in that duty position to which promotion was effected, comply with reassignment orders, if issued and serve at least 12 months in the duty position before I can request voluntary reassignment to another troop program unit. I further understand, exceptions to this policy include change of residence or civilian employment or incurring an extreme hardship requiring such reassignment. Failure to comply with a reassignment order will result in revocation of my promotion orders. \_\_\_\_\_(Initials)
