

## OUR MISSION:

"Ensure soldier medics' maximum wartime readiness by providing high quality 91B Military Occupational Specialty (MOS) reclassification, 91B Noncommissioned Officer Educational System (NCOES) and on order 91W transition courses that are taught to standards by AMEDDC&S certified instructors in an atmosphere conducive to learning. Training is available to Active Component and AGR under certain conditions."

The 10<sup>th</sup> Bn strives to ensure soldier medics maximum wartime readiness by providing high quality Military Occupational Specialty (MOS), reclassification, transition and Noncommissioned Officer Educational System (NCOES) Courses that are taught to standards by AMEDDC&S certified instructors in an atmosphere conducive to learning.

## JOIN the 10<sup>th</sup> Bn TODAY

The 10<sup>th</sup> Bn is a highly professional organization dedicated to the soldier, their families, and our mission to train. Being dedicated to showing new generations of recruits their own high standards and motivating them to be all they can be.

As a member of the 10<sup>th</sup> Bn, USAR, you can be eligible for several benefits. To name a few:

- **Instructor Qualification:** Each instructor of the 10<sup>th</sup> Bn is trained to the highest level receiving both the H identifier (Instructor qualification) and AMEDDC&S instructor qualifications.
- **Travel Reimbursement:** Instructors assigned to drill at a remote training site may be authorized travel funding to and from the remote training site.
- **Upward Mobility:** The 10<sup>th</sup> Bn is a home that you can grow in having the preponderance of it NCO slot in the E-6 & E-7 grades.

## THE REWARDS

## ARE

## MANY!!

OPPORTUNITIES IN "9" STATES:

The 10<sup>th</sup> Bn offers training opportunities through a nine-state area: Austin, Iowa, Kansas, Arkansas, Missouri, Nebraska, New Mexico, Oklahoma, and San Antonio.

If you have to relocate for some unforeseen reason, you can transfer.

"Take One Step Forward"
